THE RIGHT LAWYERS FOR YOU

ANTITRUST AND COMPETITION

Antitrust laws apply to businesses that want to expand and grow, need protection against attacks from competitors and anti-federal agencies and require focus on commercial issues rather than unwanted disputes and endless investigations.

HOW WE HELP?

Experience

We have a team of lawyers having experience of more than 20 years of representing clients in litigations and appeals and for effective dispute resolution strategy.

Advice

We advise in matters of brand management, protection & enforcement, patent litigation & prosecution, copyright, IP litigation, trade secrets and IP transactions.

Design Strategy

We help to shape strategies for providing compliance guides, designing compliance mechanisms and innovations to mitigate competition law compliance risk.

Litigation

With a team of more than 30 experienced advocates having a global presence, we are in practice representing complex disputes of competition law in multiple jurisdictions worldwide.

WHERE WE FOCUS?

Damages and Injunctions

We represent in all kinds of litigation such as independent claims for damages, enforcement of seeking specific outcomes, securing supplies from competitors through preventive measures and provisional injunctions arising from Merger and Acquisition transactions.

Compliance and Audits

It is challenging to develop compliance programs for businesses operating in places where multinational corporations are in operation. We have a large practice in framing policies based on an assessment of anticipated risk factors of businesses of our clients in consonance with competition laws.
