THE RIGHT LAWYERS FOR YOU

DISPUTE RESOLUTION

We help our clients to mitigate risks and resolve disputes as well as guide them throughout the business cycle. In case of disputes, we advise and help navigate the procedures of litigation, international arbitration, and alternative dispute resolution.

HOW WE HELP?

Experience

We have a team of lawyers having experience of more than 20 years in industrial practices.

Advice

We advise in matters of brand management, protection & enforcement, patent litigation & prosecution, copyright, IP litigation, trade secrets, IP transactions, and taxation.

Design Strategy

We help to shape strategies to mitigate industrial challenges, supply chain management, human capital transformation, globalization, and technological concerns.

Litigation

We represent for litigations of Antitrust, Banking, and Finance, employment, Patent, and commercial disputes worldwide.

WHERE WE FOCUS?

Antitrust Litigation

Our anti-trust professionals work on the case of clients from the initiation of antitrust investigations to potential dispute litigations and appeals.

Banking, Finance & Commercial Litigation

We represent commercial as well as investment banks, insurance companies, and other financial institutions in high-profile domestic and international litigations and arbitrations.

Brand management and enforcement

We design strategies to deal with counterfeiting and piracy and manage international, domestic, and local brand enforcement programs. We advise on brand strategy & design, and commercialization.

Cybersecurity & Technology Disputes

We design, execute and manage policies, procedures, and contingency strategies to prevent cybersecurity threats to clients and minimize loss or damages.

Investigations & White-Collar Crime

Our attorneys represent clients in white-collar crimes and other lawsuits accompanying criminal cases.

Intellectual Property

We serve clients on all aspects of the acquisition, protection, enforcement, and exploitation of their IP rights and also brand management, patent litigation & prosecution, copyright, IP litigation & transactions, trade secrets, taxation, and protection of the IP assets globally.

Restructuring & Insolvency

Our professionals have the expertise and experience to develop and design strategies and mechanisms for internal restructuring that help our clients to achieve short-term needs and long-term goals.
