THE RIGHT LAWYERS FOR YOU

IT AND CYBER LAW PRACTICE

We provide legal consultation to our clients on cybercrime and data protection in the event of threats of hacking attacks, phishing, and other forms of attacks. We have wide experience in dealing with controversial and non-controversial matters of cyber law.

HOW WE HELP?

Experience

We have a team of lawyers having experience of more than 20 years in legal practices.

Advice

We provide legal consultation in all IT and Cyber Law disputes and litigations and drafting of documents essential for companies, industries, and businesses.

Litigation

We represent our clients in IT disputes before various Courts and judicial authorities across the globe.

WHERE WE FOCUS?

Complaints

We file complaints for our clients against various kinds of cybercrimes such as infringement of rights online, credit card fraud, online banking frauds, e-commerce frauds, hacking, and phishing, etc.

Representation

We represent our clients in proceedings before Certifying Authorities, Adjudicating Officers, Cyber Appellate Tribunal, High Court, and Supreme Court.

Drafting

We help our clients in drafting Electronic contracts and Technical assistance or technology transfer agreements.
