THE RIGHT LAWYERS FOR YOU

INTELLECTUAL PROPERTY

INTELLECTUAL PROPERTY
LAW

Since 2018, we have served India's leading multinational companies and organizations in all aspects of the acquisition, protection, enforcement, and exploitation of their IP rights. With nearly 28 intellectual property lawyers in 20 cities, we cover the full scope of IP services globally.

HOW WE HELP?

Experience

We are locally ranked as Top 500 IP Firms in India year 2020 -2021 of our markets and have our in-house economists to value IP transactions.

Advice

We advise in matters of brand management, protection & enforcement, patent litigation & prosecution, copyright, IP litigation, trade secrets, IP transactions, and taxation.

Design Strategy

We help to shape strategies to mitigate industrial challenges, supply chain management, human capital transformation, globalization, and technological concerns.

Litigation

We represent our clients for legal disputes at all stages in disputes of trademark, design, copyright, passing off, and unfair competition litigation and ADR procedures across the globe.

WHERE WE FOCUS?

Copyright

We at 4A IP Solution provide services to various stakeholders like individuals, industries, rights managers, publishers, IT companies, producers, and broadcasters. We guide on filing and registration of copyrights, conduct due diligence, litigations, assist with search and seizures, draft takedown notices and analyze overlapping IP rights.

Patent Search and Prosecution Support

We help clients in matters of patent searches, novelty searches, knock-out searches, prior art searches, drafting and filing of patents, office action response. 4A IP Solution undertakes preparation and analysis of responses for patent applications and provides customized responses to examination reports of Patent Offices across the world.

Patent Drafting

Our Patent Preparation Services include preparation of Complete or Provisional Specifications, Conducting Disclosure Meetings (DMs) with the Inventors or their lawyers, proofreading of draft of Patent Application to review and ensure that description of every patent application.

Patent Prosecution & Litigation

4A IP Solution undertakes preparation for representing clients before the patent office, discussion with the examiner, and analysis of the patent application. Our team handles litigation, opposition, drafting all documents necessary for litigation, counter statements to get our clients cost-effective and desired solutions.

Trademark Filing

4A IP Solution has a team of experts that provides legal consultation to multinational companies and helps them in designing trademark development strategy and registering and enforcing the trademark globally.

Geographical Indication

4A IP Solution helps clients apply and fulfil requirements for GI, prosecution services as well as registration, and renewable services.

IP Training

4A IP Solution provides IP training to both corporates and Educational Institutions as well as conducts in-house workshops.
